Afternoon Chris,
Our specification includes the product provided by FERC. Based on the limited extent we provided only one product/manufacturer: Madico; SafetyShield 800 RS 40 PSSR Blast Resistant film.
If FERC would like to include a particular installer that should be provided to Belfour Beatty for subcontractor bidding.

Lynn and Tom,

Confirm what product or performance specs you are including.

Thanks

Chris

Attached is the contact for the film company who did our blast film, they are also a good contact for glass partition film. They did the entire blast film for the Lessor several years ago.
